

Christmas Eve Services

We are pleased to announce that on Christmas Eve there will be two special services. The 6:00 pm, service, will be a 30 minute interactive child-oriented service that will make it convenient for parents to return home early with their children. The 8:00 pm service will be a traditional candlelight service. Christmas Eve services are a special tradition where families and friends draw together in worship and in faith. Be sure to invite a friend or neighbor to share in our joy by inviting them to one of the services.
