

Coats for Carol's Kids due December 13

Each year we collect several hundred new or gently used winter coats to distribute to children in our area who need them. Our effort insures that many children are warm during the cold months and is a special tribute in memory of Carol Hyndman, the former director our Children's Garden and the founder of *Carol's Coats for Kids*. Coats may be dropped off at the church anytime by Sunday, December 13, when we will pray over them and dedicate them to the Lord. If you don't have a coat to give but would like to donate to the purchase of coats, the men's group has offered to buy coats with your donations and to transport them to our church. Please put your gift in an envelope and mark it , *Carol's Coats for Kids*.
