

Youth Pastor

Thanks to a generous anonymous donation, our church is sending out a call for a qualified individual to serve as part-time youth pastor here at the Cross Keys church. Our goal is to have the youth pastor in place before September. Please pray earnestly that God will send us exactly the right candidate. You can also help us get the word out. Below is a summary of the direction that we believe God is leading. Our vision is to provide a Christ-centered biblically-based Christian ministry where youth are challenged to accept Jesus as their savior, to grow in God's Word, and to serve under the Lordship of Jesus Christ as His witness in the world. The basic responsibilities will include a primary focus on establishing a relational ministry with junior and senior high youth and equipping them to be witnesses for Christ in the world. The Youth Pastor will shepherd the senior high youth and their families. This ministry will include, conducting weekly youth group meetings, participation in Sunday worship, shared teaching in the junior and senior high Sunday school classes, conducting monthly activities for fun or outreach, involvement in mission projects, and leading an annual spiritual retreat. The Youth Pastor will also work cooperatively with adult and youth volunteers, enabling them to assume positions of leadership and responsibility and to engage in ministry. Qualifications will include a personal testimony describing acceptance of Christ, one's call to youth ministry, and theological stance. Candidates should possess proven gifts and graces required for youth ministry and have at least a high school diploma or GED. The average work-week will be up to twenty hours. Resumes should be sent to: Rev. Dr. Jeffrey W. Tilden at:
